THE LEAGUE OF EXTRAORDINARY GENTLEMEN

SENIORS @ WORK

Monica is the cashier at the new boutique Francesca's.

Toby loves organizing books at the library.

Kenzi and Richie prepare for the holiday rush at White's Bakery.

Julia and Zoe match in their Puopolo's Candy aprons.

Kim and Ben look fashionable while working at Hingham's own Talbots.

LIP SYNC

This year's lip-sync brought with it plenty of spandex, neon clothing, and meticulously tattered shirts. Each and every contestant gave it their all, but when all was said and done, Mrs. Petrie and her AmStud Alumni came out on top with their take on "Human" by the Killers. Congrats guys!

HOMECOMING

Where's the Harborman?

After a whole year (or more) of walking across far, nothing feels better than parking in close.

THE PERKS OF BEING A SENIOR

Graduating

Getting out of school in May

Being the captain of the football team!

Senior Hallway: 7:50 AM

Senior Privilege!

Getting a lead role in the musical!

No more WACs...ever!

Heading to the senior lounge for a little relaxation, Mario Kart, or both!

Sitting at the senior lunch tables.

Blue Ribbon School, REPRESENT.

Getting into Harvard.

Getting an A+++ on your WAC. (it's possible, ask Julia).

Being one of the two public schools to ever win the Super Eight.

It was the
BEST
of times..

Catching up with Caterina between classes!

It was the
WORST
of times.

finishing work a couple of minutes
before school starts

"studying" all night for that AP statistics test and still
knowing you won't do well

not being able to park in those empty teacher spots

thinking you're way too cool to recycle, then finding these
two waiting at the trash for you

finding the senior lounge closed down ... again

MODEL UN

The Harvard Model United Nations is a four-day international relations simulation for high school students held annually in downtown Boston. At HMUN, delegates gain insight into the workings of the United Nations and the dynamics of international relations by assuming the roles of UN representatives and members of other international bodies and national cabinets. HMUN is an exciting opportunity for students to debate issues that confront world leaders and to draft resolutions in response to these global issues.

BIOLOGY AND OCEANOGRAPHY CLUB

Look out, Carly! There's a shark behind you!

The Biology and Oceanography Club had lots of fun events this year! In February, several lucky students traveled to Costa Rica with faculty advisors Ms. Crosby and Mr. Gauthier. The trip included visits to famous landmarks including tropical rainforests and volcanoes. Club members also went on a super exciting whale watch in April.

Ms. Crosby tells the best jokes!

Will and Sean enjoy some snacks at a Bio Club meeting.

Carly, Melissa, Brianna and Zoe take a break from dissecting a frog to pose for a picture!

Jess and Lindsay can't wait to go to Costa Rica!

Brianna says hello to the fish.

DEBATE TEAM

The senior boys are always taking things seriously.

Nicole and Kathryn won their first debate.

Liv and Deirdre can't wait to debate.

The Debate Team kicked butt this year!

All debaters know ... you need water and a well-planned argument to succeed.

Half the fun of debate is waiting your turn.

Dave and Kiran discuss their game plan.

Brian, Mr. Swanson, Chandler, Will, and Pat are all smiles at a debate.

French Club

Malaika and Amy love the free food at French Club!

Come make life long friends at French Club!

Everyone's eager to get a piece of the Baguette.

J'amour la Française.

French club had a "chouette" time this year between regular game nights, movie nights, and interesting cultural experiences with bread, cheese, and Nutella! The year concluded with a week long trip to France! Madame Keyes and Monsieur Porter will miss the seniors!

AMNESTY INTERNATIONAL

Music

Hingham High School's Chorus had a very busy year. The chorus performed a multitude of concerts this year, covering a range of choral music. The year started with the Fall Concert, which featured Jewish music presented by six choral ensembles including Mixed Chorus, Concert Chorale, Chamber Singers, Choral Spectrum, Men's Chorus, and Women's Chorus. The Major Works concert followed which featured the glorious sounds of Benjamin Britten's *A Ceremony of Carols* and Rene Clausen's *A New Creation* which was performed at churches in the community. The always exciting Talent Expo V was performed in March and featured music originally recorded by Elvis Presley and brought back to life by the choral groups and a series of special acts. To wrap up the year, the Spring Concert featured various traditional choral pieces including several from the Renaissance period. Other highlights of the year included singing the national anthem at the Opening Night of the Boston Blazers regular season, performing with the Atlantic Symphony Orchestra, and caroling around town.

Led by advisor Srta. Campbell, the Spanish club had another successful year! Much fun was had by all at the tapas dinner in Boston. They also cooked some of their own Spanish food. A group of Spanish exchange students in the spring gave the club an authentic touch. Time was also found for a game of laser tag!

Harborlight Newspaper

Student Run
Since 1963

This is where the magic happens!

The Harborlight has had quite the year! It celebrated its 47th year as a student-run club at HHS, and what a year it was! Led by Editors-in-Chief Deirdre Koenen and Jessie Channell, the staff of A Block Journalism and after school volunteers kept the community up to date on high school news. Advised by fearless leader Mrs. Fennelly, this team of reporters and photographers brought thoughtful editorials, cool articles, and interviews to the table. Here's to another generation of young, driven reporters!

The girls discuss some of the breaking news.

The editors work overtime to finish the next issue.

Deirdre and Jesse stop the press to pose for a picture.

HINGHAM ASYMPTOTES

can't touch this

Advisor Mr. Healey gathered with seniors Michelle DiBenedetto, Will Feldman, Lizzy Leahy, Jenna Watson, Sarah Burke, Emilie Duchesneau, and Catherine Scott.

The Hingham Asymptotes had a semi-victorious year, inspired by the enthusiastic Mr. Healey. Captains Michelle DiBenedetto, Will Feldman, and Jenna Watson recruited lots of students to make Hingham's team the largest in the league ... which was not necessarily good in terms of pizza sharing. The whole school and the competitors were jealous of the team's t-shirts!

Both the fall and the winter dance teams had amazing seasons this year! Lead by coach Jenn Feeney and with help from assistant principal Jennifer Henriksen, the teams were able to perform at more games and events than they ever had in previous years. On top of that, the winter dance team participated in its first MIAA dance competition and looks forward to more in the future. However, the biggest highlight of the season by far was the trip to Miami, Florida to take part in the Orange Bowl half-time show with hundreds of other dance teams from across the nation. The trip was a lot of work but was worth it in the end. Congratulations, girls!

Once we could see Mrs. Petrie was getting fat,
she knew we were waiting for the chat.
When no one else could stop,
Mrs. Petrie always put Amanda up top.
Whenever Shelbi played inner,
she was always a big winner.
Even though Sam hurt her feet,
she never showed defeat.

Even though Michelle didn't get all the fame,
she came up with some great names.

Catherine Scott,
can't breathe when it's too hot.
Even though Julia Todd loves to yell,
we know she's actually pretty swell.
Colby's songs,
come in handy when the bus ride is really long.
Julia Ingoldsby always had the drive,
to be captain number five.

Although the teacher game is over the memory of Ashley's finger,
will always linger.

Sarah hated to run,
yet she was always way too quick.
Because she never had her goggles down,
Mrs. Petrie always made Megan hit the ground.
While we labored over this poem, Cookie
stayed home and played hooky.

Class of 2010, can't believe how great it's been!

1ST 100 DAYS

ONCE INAUGURATED, President Barack Obama got down to business, signing executive orders banning harsh interrogation techniques of suspected terrorists on his second day in office. The ban was Obama's first step toward closing the prisons at Guantanamo Bay. **ONE WEEK LATER**, the president signed a labor act guaranteeing equal pay for all workers. Regarding the act, Obama explained that he saw the inequality as a family issue, not just a women's issue. **ATTENTION TO THE ECONOMY** brought the \$787 billion economic stimulus package in the form of February's

American Recovery and Reinvestment Act, controversial legislation which the administration claimed sparked growth as early as the third quarter.

A TOTAL TROOP WITHDRAWAL from Iraq by the end of 2011 was announced on February 27, and just a month later Obama announced a renewed commitment to Afghanistan and plans to send an additional 21,000 new troops there. **LONDON'S G-20 SUMMIT** allowed leaders from nations worldwide, as well as regional groups and international institutions, to strategize ways to revive the global economy and stimulate growth.

SOMALI PIRATES hijacked an American ship in the Indian Ocean off the Horn of Africa and took Captain Richard Phillips hostage in April. The ship, the Maersk Alabama, was carrying food and other aid supplies for the World Food Program. The five-day ordeal ended when U.S. Navy SEAL snipers killed three pirates, freeing Phillips. **BEA ARTHUR**, two-time Emmy award winner, died of cancer at 86. Probably best known for her *Golden Girls* character Dorothy Zbornak, Arthur began her acting career on Broadway, winning a Tony in the original stage production of *Mame*. **A 50 TO 1 LONGSHOT** won the 135th Kentucky Derby. Jockey Calvin Borel and Mine That Bird came from behind on a muddy track to win the race by nearly seven lengths. **VOCALIST SUSAN BOYLE** became an overnight sensation on *Britain's Got Talent*. Her performance quickly became one of the most watched videos on YouTube. Despite a second-place finish in the competition, Boyle's first album, *I Dreamed a Dream*, became the biggest-selling album in the world for 2009 in just six weeks. **NORTH CAROLINA'S TARHEELS** beat Michigan State 89-72 in the men's Final Four, avenging a title game loss to Kansas the previous season. With the help of upperclassmen Tyler Hansbrough, Wayne Ellington, Ty Lawson and Danny Green, all of whom opted to return for another year with coach Roy Williams rather than heading to the NBA, the Tarheels cruised to their fifth national title and their second in five years. A unanimous pre-season No. 1, the team was UNC's first since 1982 to start and finish the year in the nation's top spot. **CONFICKER WORM**, a computer virus that targeted the Microsoft Windows operating system, was estimated to have infected more than 15 million computers. It was believed to be the worst computer virus since the SQL slammer worm in 2003. In February 2009, Microsoft offered a \$250,000 reward for help with finding and arresting the people who created the computer worm.

31 Nearly 40 unemployed New Yorkers took part in the Unemployment Olympics, a day of fun and games in Manhattan's East Village planned by a recently laid-off computer software worker.

7 The Connecticut women's basketball team won its sixth national title, defeating Louisville 76-54 in a St. Louis Final Four tagged "March to the Arch."

12 Argentinian golfer Ángel Cabrera won the Masters at 12 under par after a three-way playoff against Americans Chad Campbell and Kenny Perry.

23 Apple's iTunes App Store knew in advance that some lucky buyer would download the company's one billionth app on this date and they offered prizes galore.

FLUSHOTS

FLU SHOT CLINICS were set up in workplaces and schools from coast to coast as the government and the CDC suggested that as many people as possible be vaccinated against the H1N1 virus that led to hundreds of school closings in the spring of 2009. **AN EARLY START** to the flu season meant victims were affected in higher numbers and more extremely than usual, and that the flu's peak activity came in late October and early November rather than March. Until the vaccine arrived, anyone with H1N1's potential respiratory symptoms was encouraged to stay home rather than infecting classmates or

co-workers. **IN OCTOBER**, the vaccine began arriving in both injected and nasal spray forms. Within four months, 97 million H1N1 vaccine doses had been given to 86 million people in the United States. **TRULY PANDEMIC**, the H1N1 influenza infected approximately 57 million Americans or slightly more than 18 percent of the population between April 2009 and February 2010. About 11,690 people died and nearly 260,000 were hospitalized from the viral infection, which was also known as swine flu. **THE THREAT** of an additional outbreak loomed as the annual flu season waned.

JOB MARKET DETERIORATION continued, despite some tentative indications that the economy was improving. The federal unemployment rate peaked at 10.1% in October, but the economy continued to shed jobs at the rate of more than 263,000 a month. Data showed a loss of 8.4 million jobs since the recession's start in December 2007. **THE UNDER-EMPLOYMENT RATE** of workers whose hours had been cut or who were working part-time for lack of full-time positions hit 17% — the highest

since they began tracking the category in 1994. **FORECLOSURE FILINGS** in the third quarter hit a record high. Despite government-led and lender-supported relief efforts, nearly a million U.S. homes — 1 in every 136 nationwide — were in foreclosure by October. **FEDERAL RESERVE CHAIRMAN** Ben Bernanke announced September 15 that the recession had "very likely ended" while warning that it may not quickly affect the unemployment rate.

MTV'S 2009 VIDEO MUSIC AWARDS were going to be different from the start. In addition to recognizing current work, anticipation of a Michael Jackson tribute ran high. Instead, Kanye West literally stole the show, grabbing the mic during 20-year-old country/pop star Taylor Swift's Best Female Video acceptance speech for a quick rant about Beyonce Knowles being more deserving. Swift went on to win the Grammy for Album of the Year for her second album, *Fearless*.

At 2,717 feet, the tower with a public observation deck on the 124th floor was the tallest man-made structure ever built. **"BEATLES DAY"** was celebrated worldwide on 09/09/09 when re-mastered versions of The Beatles' albums were released, on the same day the video game The Beatles: Rock Band was released. In the major music markets of North America, Japan and the UK, consumers purchased more than 2.25 million copies of re-mastered albums in the first five days of release. In addition, more than half a million Rock Band units sold during the game's first month of release. HEALTH CARE REFORM was a priority for President Obama and the Democratic leaders of Congress. In November, they came close to creating a comprehensive system of national health insurance when the House approved an overhaul of the system, 220 votes to 215. **MAX BAUCUS**, Senate Finance Committee chairman, had presented a plan that included many new insurance industry regulations but no government-run health care. The Democrat from Montana believed his bill could bring together Republicans and Democrats for an ambitious overhaul of health care. **TEA PARTY**

PROTESTS sprung up from coast to coast, providing a platform for citizens wishing to speak their discontent. While groups of those who felt they could no longer sit still and quietly observe governmental changes that made them uncomfortable took on many traits, the newly empowered activists worked to be visible in many parts of the country. **SENATE VOTES** in November were followed by the Senate's approval of an \$871 billion bill in December. While the two Congressional branches worked to reconcile their bills, it became apparent agreement was not imminent; the debate would continue for months.

HAITIAN EARTHQUAKE

DEATH AND DESTRUCTION were apparent immediately following the temblor which struck near Port-au-Prince, the capital city of Haiti. While fatality estimates topped 200,000, officials conceded that the burial of uncounted corpses would prohibit an exact tally. The quake, which was "felt strongly" in Cuba more than 200 miles away, damaged thousands of homes, including the president's residence. **BUSH/CLINTON HAITI RELIEF FUND**, designed to demonstrate American unity, raised more than \$17 million in under two weeks. In the month following the quake, American

charities sent more than \$790 million in charitable aid. **AVICIA JEAN GEORGE CLOONEY & FRIENDS** hosted concerts in New York, Los Angeles and London to raise funds for earthquake victims. Called "Hope for Haiti Now: A Global Benefit for Earthquake Relief," the January 22 concerts included performances by Bruce Springsteen, Madonna, Mary J. Blige, Taylor Swift, Justin Timberlake, Coldplay and Bono. In addition, a remake of the 25-year-old anthem "We Are the World," featuring more than 70 big names representing all genres of music, was recorded to benefit Haitian aid groups.

JAMES CAMERON'S AVATAR broke all kinds of records en route to becoming the highest grossing film of all time. Development of the science fiction epic spanned 15 years, partially because Cameron had previously determined that the necessary technology was not yet available to portray his visions for the film. Released for both traditional two-dimension projection and 3-D, *Avatar* was also the first film ever to gross \$2 billion, and it was nominated for nine Academy Awards, including Best Picture and Best Director. **TIGER WOODS** was named the Associated Press Athlete of the Decade in December. Despite a personal scandal that led to an indefinite break from professional golf, he collected nearly as many votes as runners-up Lance Armstrong and Roger Federer combined. Woods won 64 tournaments including 12 majors and earned more than \$81 million during the decade. **A TERRORIST ATTACK** on a December 25 Northwest Airlines flight from Amsterdam to Detroit was thwarted after a student with suspected al-Qaida ties attempted to ignite explosives in flight. **FIFA WORLD CUP SOCCER** tickets went on sale globally, adding more than 1 million new seats to those nearly 700,000 tickets already sold for the June/July soccer matches in South Africa. **CONAN O'BRIEN** left NBC and *The Tonight Show* on January 22, just eight months after he took the reins from Jay Leno. Despite ongoing unsuccessful negotiations with the network, O'Brien planned a busy last week hosting Robin Williams, Barry Manilow, Tom Hanks and Will Ferrell, and he took to the stage playing 70s rock anthem "Free Bird" with the band during the closing credits of his final show. **THE U.S. HEALTH CARE REFORM BILL** passed by the Senate on December 24 was expected to extend insurance coverage to 30 million additional Americans. Following the January 27 State of the Union Address where Obama vowed not to "walk away from" his drive for health insurance reform, additional modifications were made to the White House's proposed health care plan in preparation for a February 25 televised bipartisan health care summit. The six-hour summit was covered on C-SPAN and was the day's news focus.

VICTORY in hockey gave Canada the Olympic gold the host nation craved on the last day of Winter Games. The 3-2 win over Team U.S.A. came 7:40 into the extra period when 22-year-old Sidney Crosby sent goalie Ryan Miller a surprise wrist shot. Miller was the series M.V.P. and Crosby, a native of Nova Scotia, became the youngest ever captain of a Stanley Cup-winning team in 2009, when his Pittsburgh Penguins beat the Detroit Red Wings four games to three. **CANADA'S**

dislodged another massive block of ice from the continent in February. The original iceberg, known as B9B, measured 60 miles in length and had broken free from Antarctica more than 20 years ago. The new iceberg weighed in at roughly 700 billion tons and, at 48 x 24 miles, contained the equivalent of one fifth of the world's annual total water usage. The two icebergs drifted together off the east coast of Antarctica. **U.S. BOBSLED GOLD** ended a 62-year Olympic drought for America when two-time World Champion Night Train pilot Steve Holcomb with crew Justin Olsen and Steve Mesler and brakeman Curtis Tomasevich dominated action in Whistler. The win meant
